PETITIONS OFFICE

Dear Sir:

A Notification of Abandonment was mailed from the Patent Office for the above-captioned application on September 18, 2001. Applicants hereby petition for revival of this application under 37 C.F.R. §1.137(b), as the entire delay in filing the required reply from the due date for the reply until the filing of this grantable petition under 37 C.F.R. §1.137(b) was unintentional. As this application was filed after June 8, 1995, it is believed that a terminal disclaimer is not required with this petition. Enclosed with this petition is a response to the Notification of Missing Requirements. The Patent Office is also authorized to charge the small entity fee of \$640 set forth in 37 C.F.R. §1.17(m), which is required for filing this petition, to Deposit Account Number 50-1273.

Respectfully submitted,

on M. Melehan
